**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in San Francisco, and am very happy (and so are all my neighbors!) with the opportunity we had to select Sonic instead of AT&T for our Internet fiber network. The Sonic service has been excellent, and their customer service is also excellent. Please allow the necessary access to unbundled network elements so Sonic and similar companies can use the infrastructure. It will also help keep rates low.

Thank you.
